WHERE TO FIND RESIDENTIAL DESIGNERS

- **Directories:** Online directories like Clutch, Yelp, and Houzz can be helpful.
- **Google Search:** A simple search for “residential designer in Calgary” will yield great results.
- **Social Media:** Platforms like Instagram, Pinterest, and LinkedIn allow you to see a designer’s work and team.
- **Real Estate Agents:** These professionals often work with home designers to satisfy client needs.
- **Visit Homes They Have Designed:** To get a feel for a designer’s work, check out their projects page.
